

### INTRODUCTION

Our Capabilities list consists of more than 2500 items that are divided into different categories separated by each different type of aircraft's manufacturers and aircraft models.

Our Capabilities list is written in such way that all part numbers listed automatically includes all succeeding dash numbers.

### DIRECTIONS

In order to find a specific part number in our capability list, simply press simultaneously the "**control key**" and the "**F key**". A window will open, then write the "**base part number**" without the last dash number. Finally click on "**find next**".

If the desired part number doesn't show in our list, please call our sales department for further assistance.
